

Spring is in the air and female motorcyclist are on the road again! In fact, as early as the 1910s, female riders got together for lazy weekend rides to long-distance journeys. In fact, in 1915, a mother

and daughter, Avis and Effie Hotchkiss, made history by crossing America - twice - on a three-speed V-Twin with a sidecar. Today is no different! The Diva Angels are out on the road and are already making an impact in the community. So much that "Snap It" aka Sherry, her sister wrote a poem about what the Diva Angels stand for and can be found on the Diva Angels Facebook page.

It's no secret that we start-

ed 2021 off with a bang! Pasco Chapter hosted the 1st Annual Poker Run benefiting Paralyzed Veterans of America! Oh and let's not forget about our quarterly road cleanup on Osceola Dr NPR. That's only a sample of what we've been up to!
