

It's summer time and you know what that means!!! More motorcycles on the road and guess what? There are now more women motorcycle owners than men, and that is accord-

ing to the Motorcycle Industry Council Owner Survey. So where does a lady rider go if she wants to ride with other women? Diva Angels, that's where.

You may be that one rider that likes to ride alone but there are others who love group rides. Riding together is an exhilarating experience. Just picture this... she sits firm on her horse of steel, with open air in her face, wind whipping her hair, a sense of freedom settles in and all your troubles disappear for a while. That's a feeling of greatness and power we share together.

As a whole, the Diva Angels offer so much more than just being a group of female riders. We do community work, charity events, donate to causes, volunteer time to events like Stand Down, Hunger Walk and the list goes on and on. By the way, we are a 501c (7) not for profit organization.

Pasco Chapter Diva Angels meet the 1st Friday of each month, 630 social 7-8p meeting and our meet locations vary. For more information you can visit us at DivaAngels.org, Facebook @

DivaAngelsPasco, Instagram @DivaAngelsPasco or send a email to DivaAngelsPC@gmail.com ... oh and if you see a Diva Angel out and about, stop and say hi!
