**Mission:** To share in the love of motorcycling and develop a special bond and camaraderie that is solely unique to women. Assist in empowering and enabling other women to ride and help them experience the joy that biking brings. Promote safety and responsible riding and set a good example in the community. Help others who are less fortunate than ourselves through fundraising events. And never, ever forget the fact that **WE ARE HERE TO HAVE FUN AND RIDE!**

## **Gulf Coast Diva Angels Meeting Minutes – compiled from KJ Smolarek notes**

**The Power of One** Each of us possesses the inner ability to do great things and inspire other people. But when these individuals combine with others who share similar passions and beliefs, positive synergy occurs and truly amazing things are accomplished that would not have been possible by ourselves. A journey starts with just one step but a journey of a lifetime involves other people. The Diva Angel organization is a journey of a lifetime with each one of us taking that first step at some point in our lives. The Power of One drawing is to acknowledge those members who inspire others to attend meetings and join our incredible group of women. One life really can make a difference. That one life is YOU!
