The Diva Angels Tampa Bay Chapter is taking off running, Kat4 is starting to make a big impact this year. We had a few rides and

ing compliance with U.S. standards. The last four digits of this code indicate the manufacturing date: the first two digits represent the production week (01-52), and the last two signify the year. For example, 1023 means the 10th week of 2023. Don't neglect the shoes on your motorcycle!!!

events 'so far', First Friday, meandering through Parrish Tail of the Gecko, then the back roads to Charlottes Web. Charlotte's Web was 'packed', the band was phenomenal, but the memories and camaraderie make it the best.

Tampa Bay Chapter adds social riding events to their calendar regularly; all rides are open to guests. Check our Facebook page or website calendar <https://www.tampabaydivaangels.com/events-calendar.html> to see what's going on and come join the fun.

Here is my Safety Tip for this Motorcycle Season: Generally, motorcycle tires should be inspected annually after 5 years and replaced if older than 6-7 years, regardless of tread wear, to avoid risks from rubber degradation from Florida's heat. The DOT stamp on tires is a mandatory Department of

Transportation safety code, found on the sidewall, confirm-
