

Tampa Bay Chapter has been trying to ride some between all this summer rain. So when we are not riding, we get together for some sisterhood and camaraderie; whether checking out a new place for lunch or listening to local music. Of course, we had to check out some of the new bike nights around town just to see friends and support local. What doesn't spell summer like a pool party, great way to beat this heat!!! We are looking for some new places to 'hang out' and often join West Coast Florida Rider rides and events, OCC Thursday night series and what ever we can to be social.

Here is our Summer Riding Tips: Stay Cool; Stay Alert; Ride Smart; Stay Hydrated bring extra water, Watch the weather since afternoon thunderstorms are common; Check your tires, the heat can affect the pressure; gear up stay protected; Check your bike fluids, tires, bolts.... take lots of breaks and, bring water "just in case", Perform your T-CLOCS (Tires, Wheels & Brakes; Controls; Lights/Electrical; Oil/fluids; Chassis; Stands)
