

The Diva Angels Gypsy Chapter is built on a shared love of the open road, friendship, and—most importantly—service to our community. While riding

brings us together, giving back is what defines us. During the last quarter of 2025, we were proud to support several community events at Eisenhower Elementary School, creating meaningful connections with students, families, and neighbors.

Our first event of the season was Eisenhower Elementary's Trunk or Treat in October. Rather than traditional car trunks, we arrived on our motorcycles. Members dressed in fun, family-friendly costumes, and the bikes quickly became a highlight of the evening, drawing smiles, laughter, and excitement from students and parents alike. Throughout the event, children were invited to take photos with our members and motorcycles, creating lasting memories along with bags of candy. For many kids, it was their first close-up experience with motorcycles, and we loved sharing that excitement in a safe, positive, and welcoming way.

We later returned to Eisenhower Elementary to participate in the 3K Panda Prowl Fun Run, a fundraiser supporting student activities. This event emphasized wellness, school spirit, and community involvement—values that closely align with our own. Members walked the course alongside students, offering encouragement and support throughout the event. We also made a point to engage with and support event vendors, helping contribute to the overall success of the fundraiser.

These events represent what the Diva Angels Gypsy Chapter stands for: visibility, positivity, and genuine community connection. Whether riding in for a festive celebration or walking alongside students for a good cause, we are committed to making a difference where we live. If you are looking to give back and be part of a supportive sisterhood, we welcome all women—whether you ride or not. Check out our website <http://www.divaangels.org/> to find a chapter near you. We are a 501(c)(7) not-for-profit organization.
