

**Riding with Purpose:** Pasco Chapter's Summer of Adventure and Giving

The roads of Pasco County will come alive with the roar of motorcycles, the

mind of laughter, and the spirit of sisterhood as the men of the Diva Angels Pasco Chapter continue their mission of riding with purpose. More than just a motorcycle riding group, this all-female organization has built a welcoming community used on friendship, empowerment, adventure, and giving back those in need.

part of the Diva Angels organization, the Pasco Chapter brings together women from all backgrounds who share a passion for motorcycles and community service. Members include experienced riders as well as women who are just beginning their riding journeys. No matter the experience level, every member is welcomed into an encouraging environment where confidence, friendships form, and lasting memories are made.

Throughout the summer, the chapter has planned events across Florida to allow members to experience the beauty of the open road while strengthening the bonds of sisterhood. Weekend events often begin with breakfast and conversation before the group heads out together. From relaxing cruises along the Gulf Coast to

**PAWS OF COURAGE**  
SAVING TWO LIVES AT ONE TIME

Florida's countryside, each trip offers adventure, fun, and unforgettable moments.

There are sunset rides, a trip to Crystal River for manatee spotting, and a multi-chapter gathering that unites Diva Angels riders from several counties. Some rides are spontaneous, while others are carefully organized day trips.

While riding is an important part of the group's identity, community service remains at the heart of everything we do. We host and participate in charity events throughout the year, including annual fundraisers featuring music, raffles, homemade food, and community fellowship. Funds raised support local nonprofit organizations, ensuring that every mile ridden serves a meaningful purpose.

This year, our chapter is raising funds for Paws of Courage. The organization supports veterans and first responders living with PTSD by pairing them with trained service dogs rescued from local shelters and rescue organizations—truly "saving two lives at one time."

Beyond fundraising, members actively volunteer and support veterans' programs, community drives, and animal rescue efforts. For the women of the Diva Angels Pasco Chapter, giving back is just as important as the journey itself. For more information, email [divaangelspasco@gmail.com](mailto:divaangelspasco@gmail.com), visit [divaangels.org](http://divaangels.org) to find the chapter nearest you, visit Facebook at [@divaangelspasco](https://www.facebook.com/divaangelspasco). Diva Angels is a 501(c)(7) nonprofit organization.
