

Riding Together, Growing Stronger!

There's something undeniably powerful about climbing onto the back of a motor-

engine as the road stretches endlessly ahead, and momentary, everything else fades away. The wind carries a sense of peace, and you're that's anywhere incredible thing is, it even more when a group of women—so quickly more than sisters.

The Diva been that making the beautiful with a series of unforgettable destination rides. It's more than just miles on the road; it's an opportunity to strengthen the bonds of sisterhood that group so much laughter at every stop, stories shared over a deep sense of connection that grows stronger every ride.

A recent outing led us along scenic, curvy roads to Starkey Market, where we enjoyed a luncheon filled with great food, sweet treats, and better company. From a delicious lunch to ice cream under the open sky, it was the perfect adventure and

downtime—a reminder that sometimes the best moments happen when you simply slow down and savor them.

In March,

we set out on a longer journey to Bok Tower Gardens, turning the ride into a full day of exploration. We wandered through the beautifully maintained gardens,

taking in the peaceful surroundings, and paused to listen to the enchanting bells of the Singing Tower. Hearing from the carillonneur added a unique and memorable layer to the experience, giving us insight into a tradition many of us had never encountered before. It was a day that combined nature, culture, and camaraderie in a way that perfectly captured the spirit of our group.

Our time together isn't limited to the open road. During our March meeting, we gathered at one of our sister's homes for an evening that blended learning, laughter, and planning. We rolled up our sleeves to learn how to make lumpia, sharing tips and stories as we cooked side by side. At the same time, we discussed upcoming rides and community service events, reinforcing our shared commitment not only to each other, but to giving back.

As the year unfolds, the Gypsy chapter looks forward to many more adventures, new roads to travel, new experiences to share, and countless opportunities to deepen the sisterhood that makes every ride so meaningful.

Because while the journey itself is always incredible, it's the women you ride with that truly make it unforgettable. If you are looking to give back and be part of a supportive sisterhood, we welcome all women—whether you ride or not. Check out our website <http://www.divaangels.org/> to find a chapter near you. We are a 501(c)(7) not-for-profit organization.
